

Victoria Powell

The Jackpot Queen

Gambling Success and Astrology

Victoria's interest in astrology began in 1984. She studied Esoteric Astrology with Eila Laurikainen in 1998 and gained her FAA Diploma in 2002. In 2006 she wrote a thesis called *Astrology: The Big Picture* and gained an ESCEF Master of Science in Psychology. She uses this genre of esoteric astrology in her Life Coach practice called *Improve Your Health Wealth Happiness* and her latest book, *Astrology for the Developing Personality*.

Victoria's interest in astrology encouraged her to take up gambling as a hobby in 1993, with continued success, but some obstruction. You can read about her challenges at thejackpotqueen.com

Victoria's current online astrological presence includes her Astrology for Personal Development Facebook page at www.facebook.com/astrologypersonaldevelopment and her business website at www.improveyourhealthwealthhappiness.net.
